

# Peyote with 2-Hole Beads

As seen in "Psychedelic Snakeskin" bracelet on [Artbeads.com](http://Artbeads.com)

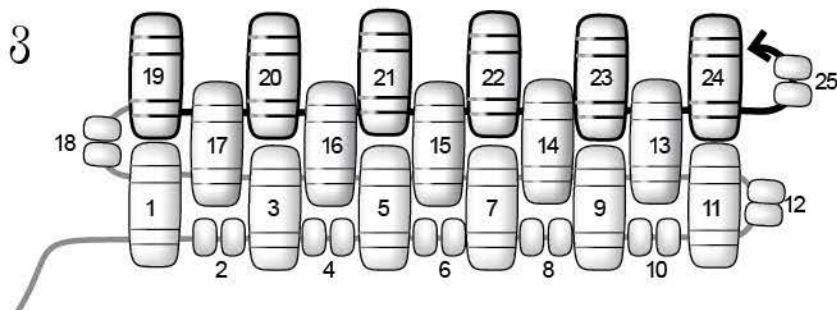

1. String a Rulla bead onto your thread, followed by two seed beads. Repeat five times. Bring your thread through the top stringing hole of the last Rulla bead added.

2. Add Rulla bead 13 and go through the stringing hole of bead 9. Add Rulla bead 14 and go through the stringing hole of bead 7. Add bead 15 and go through the stringing hole of bead 5. Add bead 16 and go through bead 3. Add bead 17 and go through bead 1. Add two seed beads to your thread. Place Rulla bead 19 above bead 1 and bring your thread through the bottom stringing hole of bead 19.

3. Go through the stringing hole of bead 17. Add Rulla bead 20 and go through bead 16. Add bead 21 and go through bead 15. Add bead 22 and go through bead 14. Add bead 23 and go through bead 13. Add bead 24. String two seed beads onto your thread and take your thread through the top stringing hole of bead 24. Repeat steps two and three to continue the stitch.

You can also use other 2-hole beads with this technique, like SuperDuos or CzechMates brick beads.
